SUBJECT: Critique for Mission C278C Flown 19 Dec 68

1. Mission C278C was an "H" Camera configured sortie flown on 19 Dec 68. Canned Route 1085 was selected. Route was designed to remain off shore and obtain photo coverage of coastal targets from Shanghai south along the China mainland to a point opposite Taipei. Mission was flown by [REDACTED] and was his first 25X1A mission.

2. Aircraft 385 departed at 0200Z for a flight of 3+35 hours duration. ~~The overall track was~~ ^{Not followed} ~~generally followed~~ ^{Followed} and no unusual incidents occurred.

3. Aircraft landed at 0535Z. There was one minor maintenance write-up.
